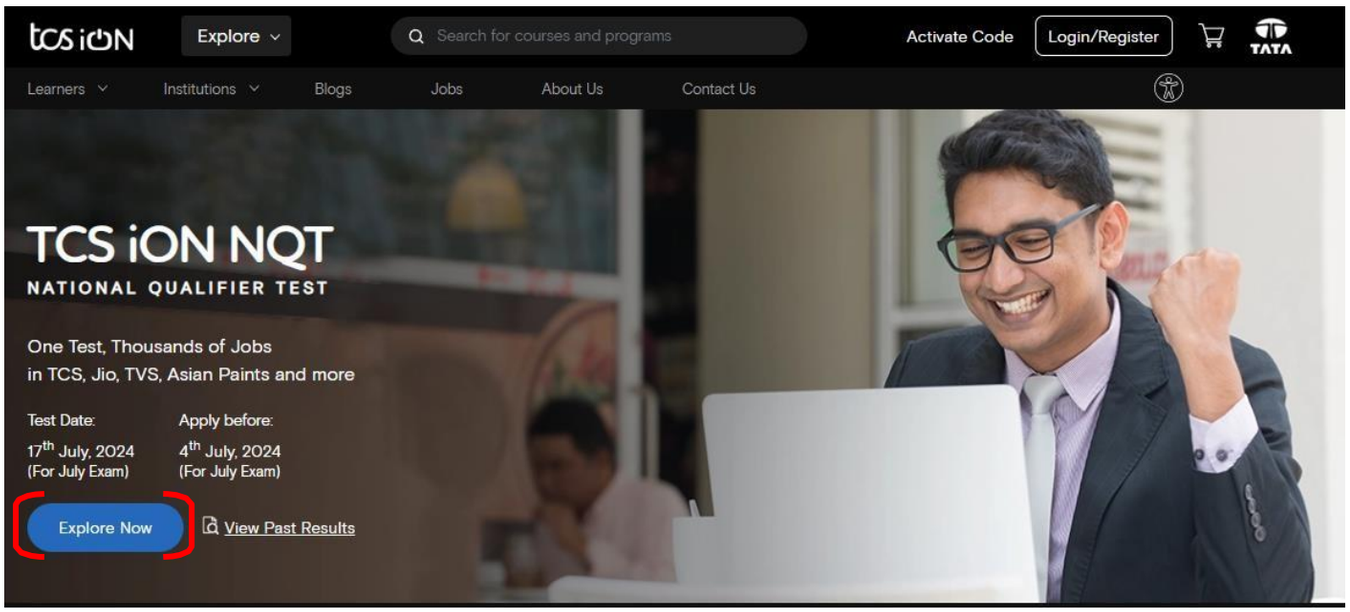
Application Guidelines for
“TCS iON National Qualifier Test”

General Guidelines

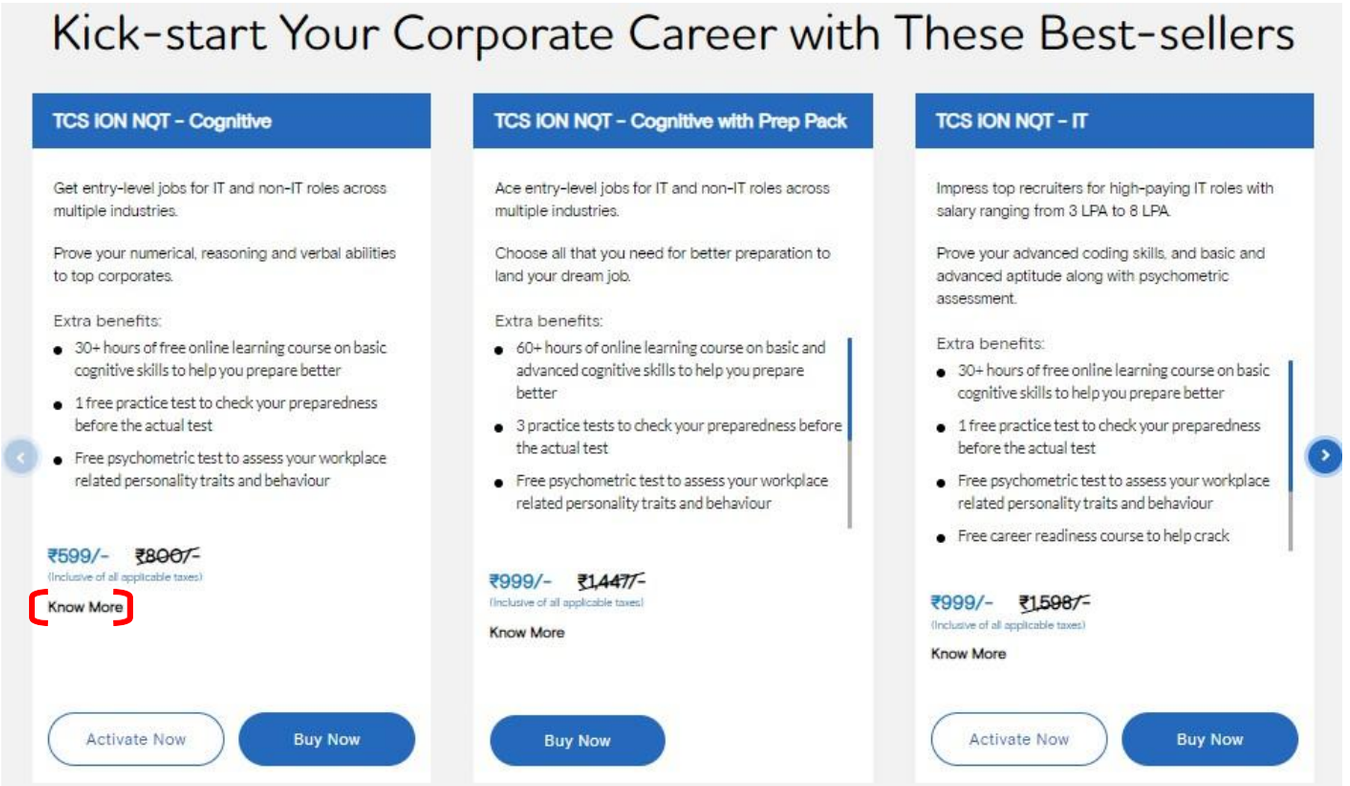
1. The TCS iON National Qualifier Test (TCS iON NQT) is planned to be conducted every 2-4 weeks and can only be taken at TCS iON Authorised Exam Centres. The validity for TCS iON NQT Score is 2 years.
2. There is no limit on the number of attempts. You can re-purchase the TCS iON NQT Variant to improve your Score. However, You can purchase the same TCS iON NQT Variant only after 90 days of your last purchase.
3. Mode of Test: Only In-Centre (TCS iON Authorised Exam Centres).
4. Candidate who had indulged in any type of malpractice during the earlier TCS iON NQT will not be permitted to take the test for a period of 1 year.
5. Exam will be scheduled based on the exam date selected in the application form. You can modify the exam date before the application form closure date.

Application Guidelines

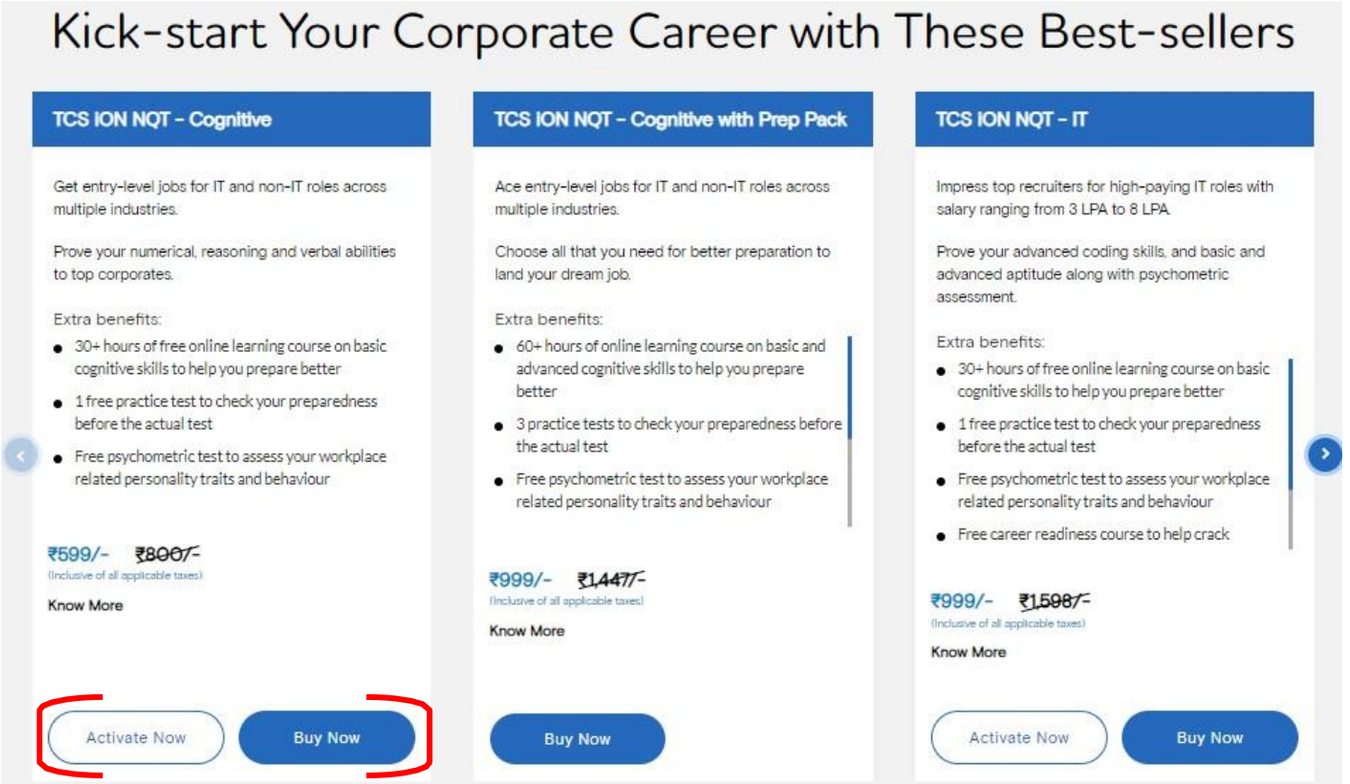
1. Click on the **Explore Now** button on the TCS iON NQT landing page.



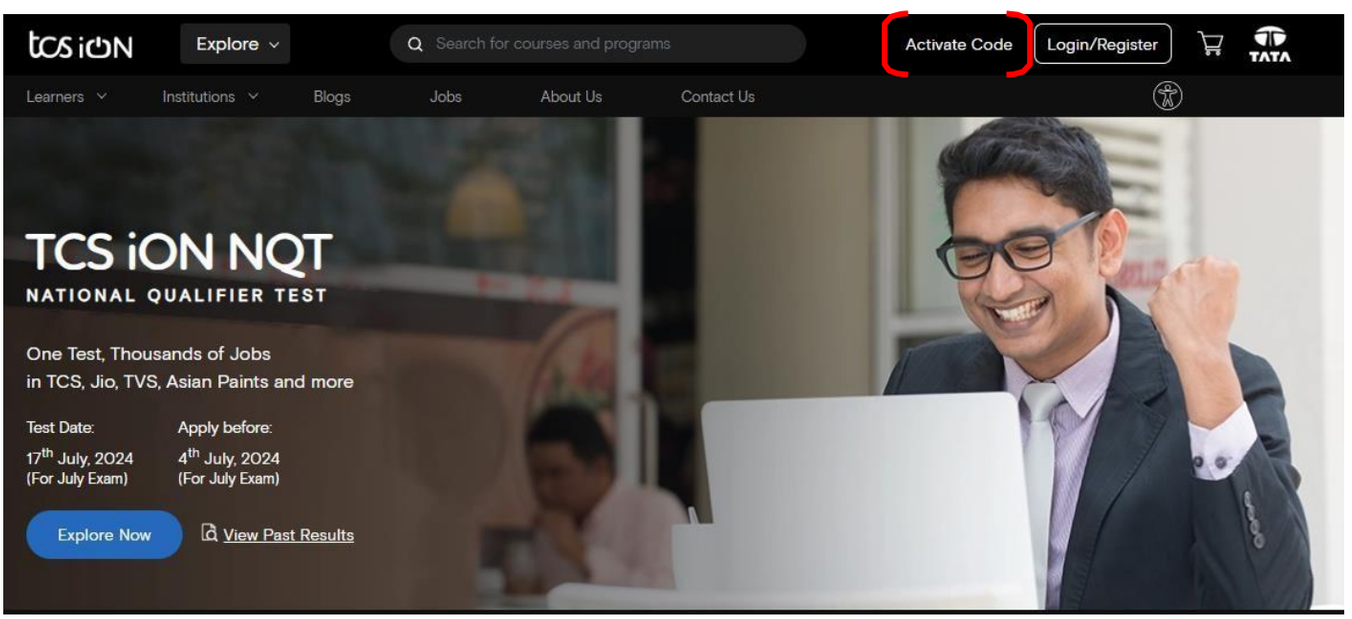
2. Under the **Kick-start Your Corporate Career with These Best-sellers** section, click on **Know More** on the stamp you want to buy. You will be redirected to the respective product page where you can read more information about the variant and buy the Test.



3. You can also initiate your purchase by clicking on the **Buy Now** button. Or, if you have an Activation Code, you can activate the Test by clicking on the **Activate Now** button. It will ask you to sign up and then you can proceed further to apply for TCS iON NQT.



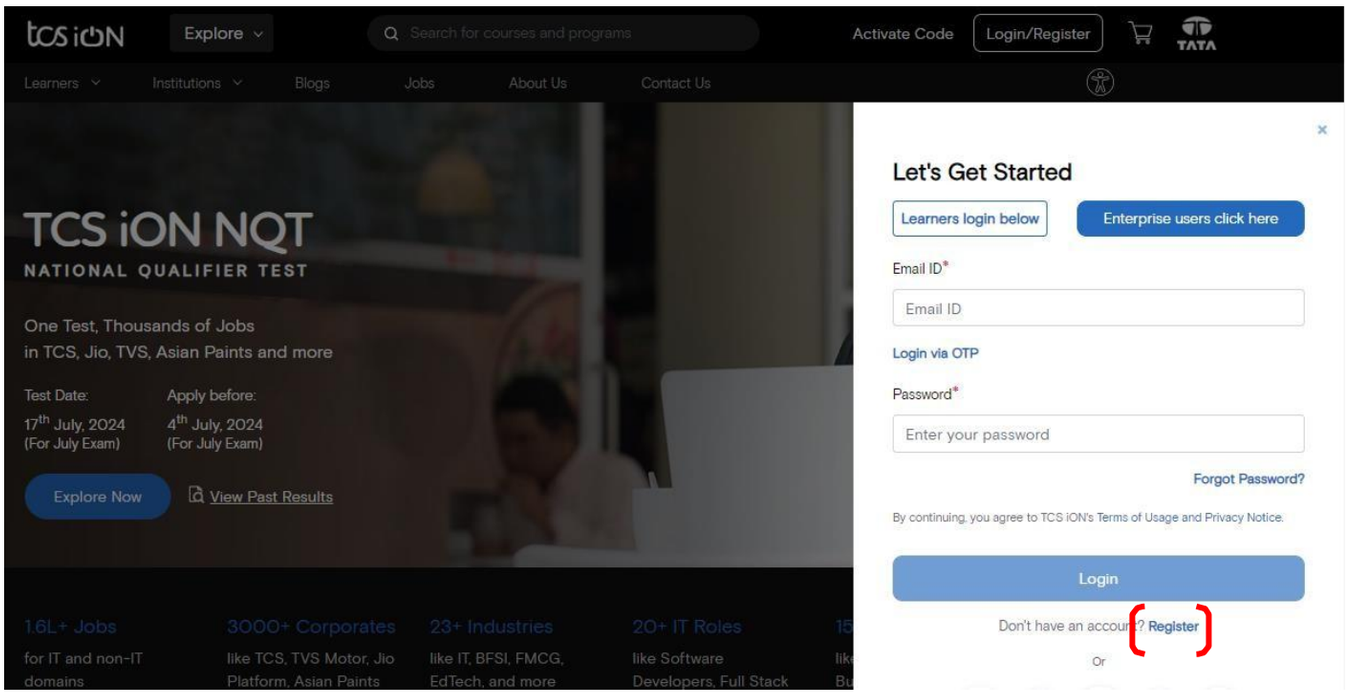
4. **Activate Now** button is not available for the Prep Pack variants. For these variants, you can click on the **Activate Code** button at the top and enter your licence code.



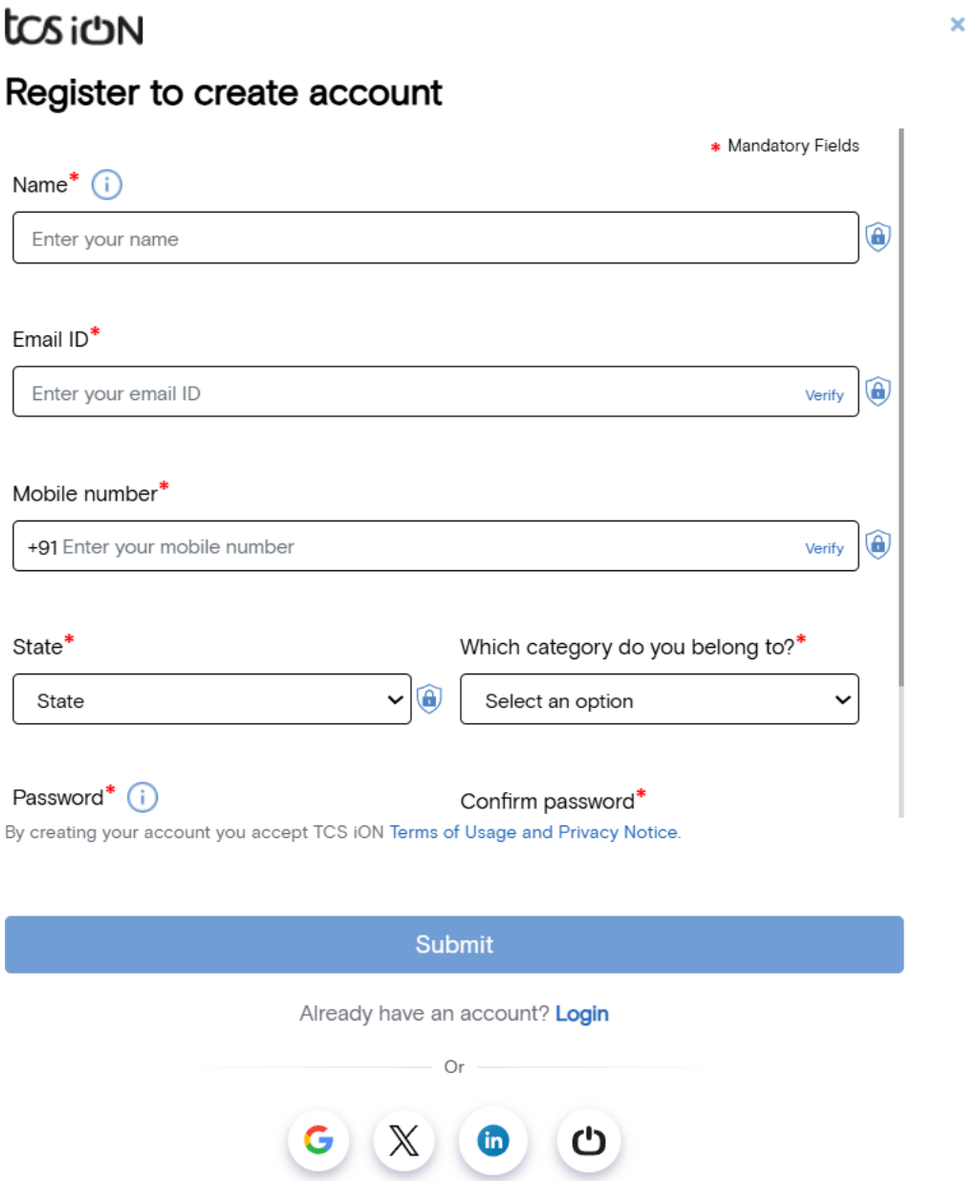
5. Logging into TCS iON Digital Learning Hub (iDLH)

A. Login by Creating a New Account

a. If you are a new user, click on **Register** in the Learners login tab to complete the one- time sign up process. You can also login using social media handles such as Google, X and/or LinkedIn by clicking on the respective icons.



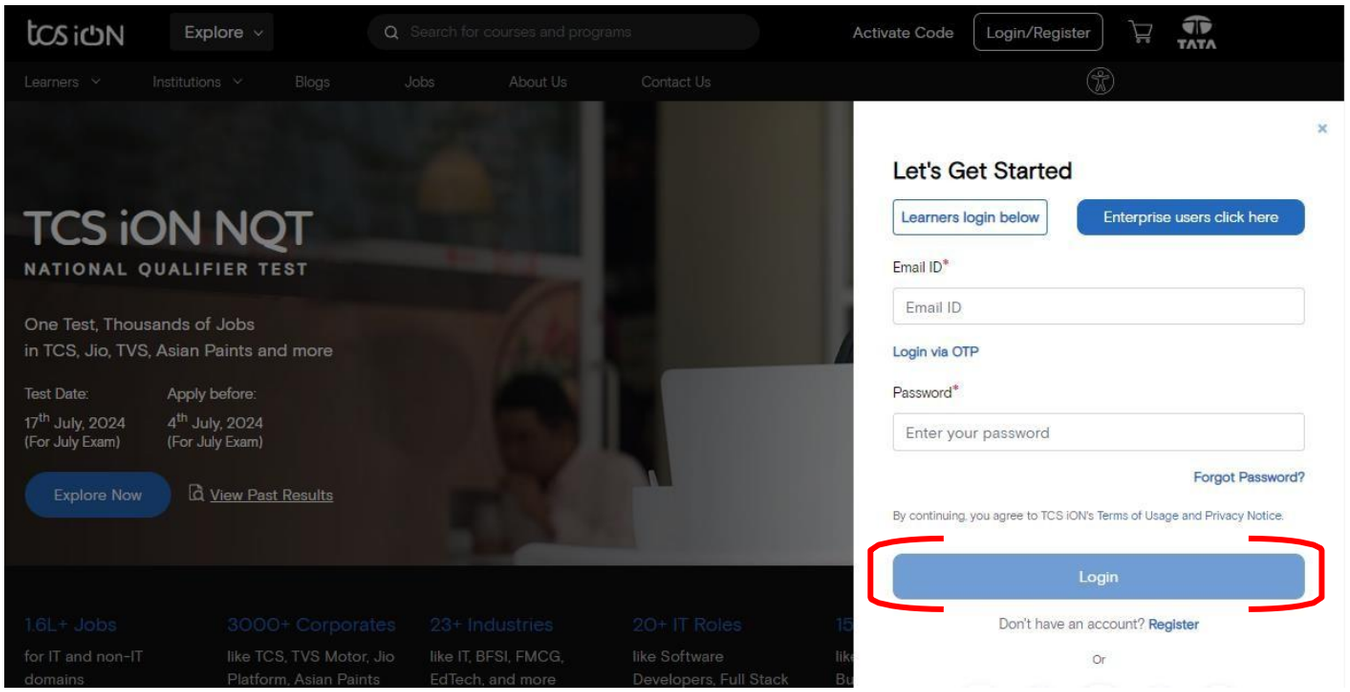
b. Once **Register to create account** window opens, please fill in all your details as shown below to proceed further. Please ensure your email ID entered is correct as all communications will be routed through that email ID.



B. Login by an Existing User ID

a) If you are an existing TCS iON NQT candidate, enter your TCS iON NQT Candidate Login ID and login. Once you login, you will see the **View Details** button on the webpage. Click on **View Details** to check your application; or you can update your application details and initiate your purchase.

b) If you are an iDLH user, you may use your registered ID to login and proceed to buy TCS iON NQT and its variants.



6. After successfully logging in, you can apply for TCS iON NQT, either by using **Buy Now** or **Activate Now**.

A. Steps to apply using **Buy Now**
